Hi! I am a multi-talented professional from Lincoln, NE. I am a versatile asset that has experience and formal education in Videography, Editing, VFX and Photography. I also am currently working toward a career in Web/Software Development. Additionally, I am a Professional Bicycle Mechanic with over 15 years in the Outdoor and Biking Industries!

I have experience in managing both projects and people in a professional setting and love to work as a team. I am most at home working with others to make projects come to life. I am a perfectionist and very loyal when it comes to a company/project that I'm working with/on. Striving to make the best possible product for the client or company is my goal.

I continually work to gain more knowledge and be more profficient every day in both the design and creative world, as well as my other hobbies and interests. I love to work hard and help a company/brand achieve their goals and execute their vision.

My Specialties: Adobe Creative Suite, Canon Cameras, Rhode and Zune Audio Equipment, HTML5, CSS, Javascript, GIT/Github.

Thank You For Your Consideration!
